

**MY GOALS AS COMMISSIONER.**

- TO** continue providing West Lebanon Township with sound judgement and judicious fiscal management.
- TO** add to the accomplishments and improvements made during the last 12 years. Some examples include the following:
  - New water and sewer systems, housing development growth created increased tax base ,
  - renovations made to the Township building as well as the Fire house, construction of a new garage along with a salt bin, baseball field improvements, and many more.
- TO continue to closely monitor and investigate actions taken by adjoining municipalities to determine the impact, if any, to the Township.**
- TO monitor the ever increasing tractor trailer traffic and its impact on the Community . maintaining good working relations with N Lebanon Township in the event rerouting or alternate routes become necessary.**
- TO continue to improve services provided by police and fire departments to adequately safeguard the community.**
